BITS Pilani (an Institution of Eminence in India) and the University at Buffalo, The State University of New York have partnered to offer an exciting opportunity for students to pursue unique collaborative academic programmes at the international level. Students can pursue a dual degree programme whereby they can obtain an engineering degree from BITS Pilani and an engineering degree from the University at Buffalo (UB) upon successful completion of the programme requirements.

Students admitted under this UBITS collaboration will have the unique opportunity to immerse themselves in diverse cultures and gain a truly global perspective. In this four-year collaborative 'dual degree' programme, students will spend the first two years along with a summer term at BITS Pilani campuses before transferring to UB in Buffalo, New York for the remaining two years (i.e., years three and four) of their study period. Our innovative curriculum combines the strengths of both academic environments, offering an outstanding education that would prepare them for success in today's rapidly changing world. With state-of-the-art facilities, inspiring faculty, and a wide range of extracurricular activities, UBITS collaboration is the perfect place to launch students' productive academic

professional journeys.

It is planned to admit students in the following four undergraduate programmes from leading universities from the Academic Year 2024-25 programmes onward.

- B.E. Computer Science by BITS Pilani, Pilani Campus and B.S. Computer Engineering by University at Buffalo (For more details about programme plan, semester-wise pattern and cred arrangements, please [click here](#)).
- B.E. Computer Science by BITS Pilani, Pilani Campus and B.S. Computer Science by University at Buffalo (For more details about programme plan, semester-wise pattern and cred arrangements, please [click here](#)).
- B.E. Electrical and Electronics by BITS Pilani, Pilani Campus and B.S. Electrical Engineering by University at Buffalo (For details, please [click here](#)).
- B.E. Electronics and Communication by BITS Pilani, K.K. Birla Goa Campus and B.S. Electrical Engineering by University at Buffalo (For details, please [click here](#)).
- B.E. Mechanical by BITS Pilani, Hyderabad Campus and B.S. Mechanical Engineering by University at Buffalo (For details, please [click here](#)).
